

# 2022英語能力精進工作坊

Due to the policy of "Taiwan's Bilingual Country Project" proposed by MOE, students in college are encouraged to obtain the B2 level in English proficiency. But, what exactly does B2 level mean?

We are providing a series of workshops to help you learn what B2 level is. Each workshop will be two hours in length and focus on one skill: namely, reading, listening, speaking, and writing.

The workshops are designed to introduce you to the Common European Framework of Reference (CEFR) with a focus on B2-level and help you understand how to better prepare for the tests of B2 level.
